Come home to a well-cared for 1660 sq ft open floor plan home that features plenty of natural light. The main floor flows from the entry way with high ceilings to the living room, kitchen and dining area. The kitchen features a center island with breakfast bar, updated hardware, newer microwave and the refrigerator is included. Step out the sliding glass door off the dining area to the raised garden beds perfect for flowers, herbs, etc. The upstairs main bedroom includes a walk-in closet, separate bath and shower and double vanity. The additional 2 generous sized bedrooms provide ample sleeping areas. The loft outside the master bedroom can be an additional living space for the family or an office area as well. The convenient upstairs laundry room includes a newer washer and dryer. The front patio area can be your special retreat. This home is located close to shopping, restaurants, schools and parks.
